Further to the declaration of your pre-existing medical conditions shown above, we are pleased to confirm acceptance of cover at the additional premium of £0.00. This premium is included in the total payment you've made for your travel insurance policy and reflected in the total amount written on your policy certificate. This is on the proviso that you are fit to travel, not travelling with the intention of obtaining medical treatment aboard and not travelling against the advice of a doctor.

The questions that were asked and the answers that you provided are shown at the end of this document. If any of the answers to the questions are incorrect you must contact us immediately, as failure to do so may result in no cover being provided.

If you intend travelling to a European Economic Area (EEA) country or Switzerland you should obtain a European Health Insurance Card (EHIC) on line at www.dh.gov.uk/travellers which when completed will entitle you to certain free health arrangements in EEA countries and Switzerland. You should take the EHIC with you and make sure that any medical treatment is provided at hospitals or by doctors working within the terms of the Reciprocal Healthcare Agreement unless the Medical Assistance Company agrees otherwise. If you are admitted to a private clinic you will be transferred to a public hospital as soon as the transfer can be arranged safely.

Alternatively if you are travelling to Australia you are advised to register with Medicare upon your arrival. Further details can be found from a free Government booklet available from the Post Office

entitled "Health advice for Travellers".

IMPORTANT NOTE

Please remember that this endorsement forms part of your travel insurance policy. It is not an insurance policy in itself and is only valid whilst the main travel policy is in force. Please, therefore, ensure that you have paid the appropriate premium to AXA LG IDOL Travel Insurance for the main policy and keep this document with the rest of your travel insurance documentation.

If you wish to cancel your main policy or this additional cover, you may do so at any time. You will only be entitled to a full refund if you cancel this cover within 14 days of receipt of these documents and you haven't travelled, made a claim or are aware of any circumstances that could give rise to a claim. You may be entitled to a pro rated refund if you later require a change to your medical screening and as a result the Insurer decides to decline cover. This will depend on whether or not you intend to make a claim.

If we can be of any further assistance, or if you have any queries please do not hesitate to contact us.

Yours sincerely

AXA LG IDOL Travel Insurance
